

# TRANSPORT

Volunteering in Health offer a Transport service to help local residents get to their medical appointments.

Our team of friendly volunteer drivers will take you to the appointment and wait for you for up to 2.5 hours\* before returning you home.

Wheelchair Accessible  
Vehicle available

We do have a suggested donation for providing transport which helps to keep our service running.

\*Appointments over 2.5 hours may be possible, please contact us to discuss your requirements

**Call us to book your transport or  
for more information**
